Hole 8	Par	Length	Index	Rating
Men	5	478 metres	10/25	Medium
Women	5	447 metres	2	Hard

Pros tips

Avoiding the two fairway bunkers is a good start. Longer hitters can take on the water hazard and reach this green. For the shorter hitters, position the layup to the right of the water hazard. An approach shot finding the appropriate tier will be left with an easy putt on a relatively flat green.
